MEMORANDUM TO MR. [REDACTED]

1. Our records show four CIA people scheduled for public appearances in the next several months, one of them from ORR undercover in [REDACTED] 25X1A6a

2. [REDACTED], OCR, is to read a paper in San Francisco, California, at the [REDACTED] 25X1A9a  
on Technical Translations: Their Initiation, Production and Use. This is purely a technical paper from unclassified documents and should be helpful to the Agency. It is an unusual paper, in that, it includes Russian phrases and sentences and shows how difficult it is to get the American meaning by the use of a translation machine. The file on this request and copy of speech is attached.
